## President's Column

Casey Archer, MCBA President

The Mariposa County Bar Association ("MCBA") meets at noon on the second Thursday of each month. In-person meetings have been suspended since April 2020 due to COVID-19. We look forward to resuming our meetings sometime in 2021 at the Miner's Roadhouse 140. In the interim, we are now providing free MCLE courses via webinar during our regular meetings.

At our April 2021 MCBA meeting, we offered an hour of free MCLE credit through ArcherHall. For our May 13, 2021, meeting, MCBA's own Russel Cook is providing an MCLE course on mediation at no charge which has been approved by the California State Bar for one hour of MCLE credit. Then, mark your calendars for June 10, 2021, when ArcherHall will again be providing a one hour MCLE webinar at no cost.

MCBA Membership is \$35.00 and includes a listing on the MCBA website at [www.MariposaBar.org](http://www.MariposaBar.org). For new members, you may download an application from our website and send it to our PO Box with the yearly dues. If current members would like to maintain membership including their listing on our website, they should send their annual \$35.00 dues to MCBA, PO Box 628, Mariposa, CA 95338.

## RUSSEL COOK TO PROVIDE MCLE COURSE ON MEDIATION

At our May 13, 2021 meeting, Russel Cook will be providing a course on mediation which has been approved by the California State Bar for one hour of MCLE credit. The presentation will be by webinar, and there is no cost to attend.

As an attorney since 1980, and an attorney and mediator since 1992, Mr. Cook has conducted in excess of 700 mediations involving all aspects of civil litigation, including construction, business disputes, personal injury, medical malpractice, and other claims.

He has also conducted a number of arbitrations, including a 6-day arbitration involving real estate fraud, real estate financing, appraisal issues, broker liability, duty to disclose claim in excess of \$1 million dollars.

Over 40 years he has tried in excess of 100 civil cases to verdict or decision. During that same time, he has resolved or settled over 3,000 cases while representing one of the parties to the dispute. Mr. Cook has represented over 1,000 litigants involved in personal injury claims (both plaintiff and defense), and has represented plaintiffs in a class action claim involving pensioner's benefits which resolved for \$5,600,000.00.

Join the MCBA on May 13, 2021 at noon for one hour of MCLE credit when Mr. Cook provides his presentation on the topic of Mediating the Hatfield and McCoys. The zoom log in info is as follows:

## Career Opportunity with The United States District Court, Northern District of California

The United States District Court, Northern District of California, is seeking a Pro Se Law Clerk. The Pro Se Law Clerk screens civil rights complaints and habeas corpus petitions filed by prisoners not represented by counsel, conducts legal research, assists the court in preparing orders and opinions, and performs other legal and administrative duties as assigned. The position is based in San Francisco.

The court seeks candidates with a law degree and superior legal research and writing skills. Civil rights, habeas, and/or criminal law experience is strongly preferred.

The priority cut off date is May 10, 2021. Please feel free to contact the MCBA at [MCBA@MariposaBar.org](mailto:MCBA@MariposaBar.org) if you would like additional information.

# **ArcherHall To Provide Free MCLE Courses to the MCBA Via Webinar**

ArcherHall has always provided MCLE courses at no charge to the MCBA. They have now stepped up to do so via webinar during our regular luncheon meetings.

Capitol Digital and Califorensics are now ArcherHall. They provide concierge services with a free consultation in all Digital Forensic Services areas including the following:

## **Forensic Imaging**

Create exact bit-for-bit copies of the data on a computer or other storage medium. Admissible in court and provably identical to the original.

## **Cell Phone Forensics**

Imaging, recovery, and analysis of data from cell phones, tablets, and other mobile devices.

## **Data Recovery**

Extract data from corrupted or damaged devices. Find and restore deleted files and messages.

## **Expert Evidence Analysis**

Identify files, emails, or activity logs that are relevant to the case. Piece together subtle clues to provide a clear story.

## **Expert Testimony**

Testify in court or deposition regarding the conclusions of evidence analysis, validity of data, and soundness of methodologies.

## **Theft of Trade Secrets**

Investigate unauthorized copying, printing, or transfer of sensitive or valuable data.

## **E-Discovery Services**

### **Data Collection**

Collect local, network, or cloud data from multiple custodians at multiple locations.

### **Processing & Production**

Exclude irrelevant data, capture text and metadata, and Bates label. Produce native files or TIFFs and load files for all popular systems.

### **Hosted Review**

Access discovery documents from anywhere through their online review platform. Spend time on review, not document management.

## **ArcherHall, Continued**

### **Advanced Culling Techniques**

Reduce discovery costs by excluding more non-relevant documents, especially for clients operating in big data environments.

### **Early Case Assessment**

Find out what your data contains before you get too deep. Quickly view data by file type, timeline, or relationships between people.

### **Electronic Medical Records**

Collection, processing, and analysis of Electronic Medical Records (EMR) and associated metadata.

## **The ArcherHall Brand**

ArcherHall echoes the classic cadence of a storied professional services firm, but with a modern twist.

Rather than a firm founded on the strength of impressive individuals, their firm is founded on a commitment to core principles.

Their business is built on two pillars: their clients and their team. Their mission is to be a company beloved by both, and ArcherHall reflects that duality.

### **ARCHER**

Archer represents their commitment to their clients. Their brand conveys precision and accuracy, skill and expertise. They are targeted and effective; They move fast and get straight to the point.

### **HALL**

A hall is a building or room that serves as a gathering place for people. They aspire to be a company that attracts outstanding people from all over, based on common values and commitment to a common goal. A hall is a place where people can gather for a cause, for discussion and debate, and to have a secure place to achieve their potential.

### **AIM HIGH**

ArcherHall's new brand tagline, Aim High, challenges their clients and team members to never accept mediocrity when greatness is worth pursuing.
